Daily Routine.

01-Sep-23

I usually wake up at 5:30 am when I go with some acquaintances in their truck because they study at the same school as me, but when they don't go or they leave later, I wake up at 3:00 am sharp to take the bus from Cacalotán to El Rosario, and from there take the one to the university. After that, I go to the bathroom and wash my hands and face.

I always have breakfast at home and I often watch cartoons at the same times. I always brush my teeth after breakfast, then I change my clothes and comb my hair. I pack my laptop and charger in my backpack, put on my glasses, and go to one of the girls' houses to go to school with them.

I arrive at school between 7:45 am and 8:00 am, my classes start at that time. At the end of the second class, at 10:00 am sharp, we go out for recess, I sometimes go buy something at one of the school stores and I almost always eat inside the classroom.

Half an hour later we resume classes with the third period. My classes finish at 2:40 pm. I leave the building and wait with my classmates for the bus, which arrives between 2:45 pm and a little after 3:00 pm, but it often comes late, and it has sometimes arrived really late. This quarter the bus is always very full.

I arrive at El Rosario and wait for a bus to Cacalotán. I almost always arrive home at 4:00 pm, but I have sometimes arrive later. I rarely eat anything when I get home, but when I don't it's because I'm not hungry, I'd rather sleep, or I have something else to do and I got home late. I almost always have dinner when there is no one left in the dining room, and after that I take a shower.

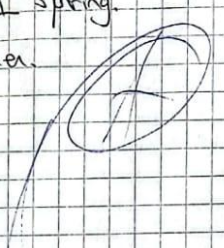

The rest of the afternoon I do homework (if I have any), listen to music, read books or Asian Comics (Mangwas, Manhwas, and mangas), or watch videos. I go to sleep at any time before midnight.

DIALOGUE

(Wendy está sentada en el salón, mirando su celular.)

(Wendy is sitting in the classroom, looking at her phone.)

Lizbeth: ¡Hola, Wendy! ¿Cómo estuvo tu fin de semana?

Lizbeth: Hi, Wendy! How was your weekend?

Wendy: ¡Oh, hola Liz! Estuvo muy ocupado. El viernes por la tarde fui a la casa de mis abuelos. El sábado estuve haciendo los ejercicios de C++ del profe Jorge. Y el domingo salí con mis amigos a la playa.

Wendy: Oh, hi Liz! It was very busy. On Friday afternoon, I went to my grandparents' house. On Saturday, I was doing the C++ exercises from Professor Jorge. And on Sunday, I went to the beach with my friends.

Lizbeth: Wow, eso fueron muchas cosas para solo un fin de semana.

Lizbeth: Wow, that's a lot for just one weekend.

Wendy: Sí, lo fue. ¿Y cómo estuvo tu fin de semana?

Wendy: Yeah, it was. And how was your weekend?

Lizbeth: Bueno, yo también tuve que hacer los ejercicios, pero no los pude terminar en un solo día porque tuve una cita médica. Me estaba sintiendo mal, pero ahora ya estoy mejor. Solo fue un resfriado.

Lizbeth: Well, I also had to do the exercises, but I couldn't finish them in one day because I had a doctor's appointment. I was feeling sick, but now I feel better. It was just a cold.

(Pedro y Adhara entran al salón, algo cansados.)

(Pedro and Adhara enter the classroom, looking a little tired.)

Pedro: ¡Por fin llegamos! ¿Ya está aquí el profe Jorge?

Pedro: Finally, we made it! Is Professor Jorge here yet?

Lizbeth y Wendy: No, sigue en su oficina.

Lizbeth & Wendy: No, he's still in his office.

Adhara: ¡Uf, menos mal! Hemos estado llegando tarde porque el camión se retrasa. Hoy fue porque los trabajadores estaban tapando baches en la calle.

Adhara: Uff, good! We've been arriving late because the bus keeps getting delayed. Today it was because workers were fixing potholes on the street.

Pedro: Sí, la carretera está horrible. Y para colmo, el chofer fue detenido por el tránsito. Los camiones siempre vienen llenos, y hoy solo salió uno.

Pedro: Yeah, the road is terrible. And to make things worse, the driver got stopped by the police. The buses are always full, and today only one was running.

Lizbeth: Qué mal. En fin, cambiando de tema, ¿cómo les fue con la tarea?

Lizbeth: That's bad. Anyway, changing the topic, how did you do with the homework?

Adhara: Me fue bien. Terminé los ejercicios rápido porque estaba visitando a una amiga en El Rosario. Pero hubo un malentendido y perdí el último camión. La visita terminó siendo una pijamada improvisada, y como no llevaba mi laptop, no pude avanzar.

Adhara: I did well. I finished the exercises quickly because I was visiting a friend in El Rosario. But there was a misunderstanding, and I missed the last bus. The visit ended up being a surprise sleepover, and since I didn't bring my laptop, I couldn't keep working.

Wendy: Al menos te divertiste. ¿Y tú, Pedro?

Wendy: At least you had fun. And you, Pedro?

Pedro: Yo ayer terminé mi tarea temprano, así que jugué videojuegos toda la tarde.

Pedro: Yesterday I finished my homework early, so I played video games all afternoon.

Adhara: A mí casi no me gustan los videojuegos, pero a mi amiga sí. Toda la tarde se la pasó hablándome de uno donde tienen sirvientes gatos.

Adhara: I don't really like video games that much, but my friend does. She spent the whole afternoon talking to me about one with cat servants.

Pedro: Ah, a mí me gustan más de combate. Son adictivos, aunque a veces me desvelo.

Pedro: Haha, I prefer combat games. They're addictive, but sometimes I stay up too late.

Adhara: Entiendo. Normalmente yo no me desvelo tanto, pero ese día dormimos tarde hablando de *Percy Jackson*. Ahora a mi amiga le gusta más que a mí.

Adhara: I get it. Normally, I don't stay up so late, but that day we went to sleep late talking about *Percy Jackson*. Now my friend likes it even more than I do.

Pedro: Sí, yo también me desvelé. Hoy me siento muy cansado, ayer ni siquiera tuve energía para limpiar mi cuarto como siempre lo hago los domingos.

Pedro: Same here, I also stayed up late. Today I feel really tired. Yesterday I didn't even have the energy to clean my room like I usually do on Sundays.

Adhara: Yo igual, por eso ahora estoy tomando mucho café para mantener los ojos abiertos.

Adhara: Me too. That's why I'm drinking a lot of coffee right now to keep my eyes open.

Pedro: Y yo estoy tratando de mantenerme despierto aquí en clase, porque olvidé tomar café esta mañana.

Pedro: And I'm just trying to stay awake in class, because I forgot to drink coffee this morning.

Wendy: Se nota, están bostezando mucho.

Wendy: Yeah, we can tell. You two are yawning a lot.

Lizbeth: Sí, pero menos mal terminaron la tarea a tiempo.

Lizbeth: True, but at least you both finished the homework on time.

Wendy: Ya vamos a sentarnos. El profe Jorge ya está llegando.

Wendy: Come on, let's sit down. Professor Jorge is already coming.
